

This learning presents Cumulocity IoT SNMP Integration. Simple Network Management Protocol (SNMP) is an application layer protocol used widely in network management for monitoring network devices. The learning covers a short introduction followed by a demo.

**Duration:** 30 min

**Achievements:** Attendance Badge

### Learner Profile

- Developer
- Integration Specialist

### Required Knowledge

Cumulocity IoT Device Management & Connectivity

### Next Steps

Expert modules in the categories:

- Device Integration

### Learning Objectives

- SNMP Protocol Integration
- SNMP Agent
- Configuration

---

### Activities

- Learning Videos & Demos
